### ***Payment by bankcard***

*Shopping in our web shop is comfortable and secure through payment by bank card. After ordering the selected products we direct you to the K&H Payment Services Ltd's website where you can pay with your bank card through an encrypted transaction that is currently considered the safest. The customer only has to click on the "payment by bank card" button when choosing the payment method, and then they have to type in the card number and the expiration date of their bank card on the K&H Payment Services Ltd's payment server. K&H Payment Services Ltd. accepts VISA, VISA Electron, V-Pay, MasterCard, and Maestro type bankcards. Bankcards authorized only for electronic transactions are only accepted if the usage of the card is authorized for this purpose by the issuing bank for that card. Please inquire at your bank whether your card can be used for internet shopping. K&H Services Ltd. will issue an authorization number for the transaction. The customer should write the number down, or print out the whole page. In case of an unsuccessful transaction, K&H Payment Services Ltd. will send an error message and the cause of the error.*

### *Security of personal data, data protection*

*Protection of your personal data is a priority for ..... and its partners. Collecting and processing of personal data necessary for identification during the usage of our website complies with the data protection standards in force in Hungary (Law CXII. 2011). Your data will be handled confidentially; your data will not be given out to any third parties, unless it is necessary for the fulfilment of the contract (e.g.: billing, shipping, courier service).*
